

**lenovo®** **FOR THOSE WHO DO.™**

# EBG Server Education Outline/Expectations

Royce Espey | Information Development – 04/13/2015

The logo features the letters 'DO' in a large, white, stylized font on a red rectangular background. To the right of the 'DO' text is a small graphic consisting of a grid of smaller 'DO' logos, some of which are partially cut off by the edge of the red rectangle. The entire logo is tilted slightly to the right.

- **Available from the following locations:**
  - LXCA User Interface (help system)

    - PowerShell User's Reference
    - REST API User's Reference (coming soon)
- **Available in the following languages:**
  - English (most current)
  - Japanese
  - Simplified Chinese
  - Spanish

# Content without background pattern

- [http://pic.dhe.ibm.com/infocenter/flexsys/information/topic/com.lenovo.lxca.doc/aug\\_product\\_page.html](http://pic.dhe.ibm.com/infocenter/flexsys/information/topic/com.lenovo.lxca.doc/aug_product_page.html)

The screenshot shows a web browser window displaying the Lenovo XClarity Administrator product page. The browser's address bar shows the URL: [http://pic.dhe.ibm.com/infocenter/flexsys/information/topic/com.lenovo.lxca.doc/aug\\_product\\_page.html](http://pic.dhe.ibm.com/infocenter/flexsys/information/topic/com.lenovo.lxca.doc/aug_product_page.html). The page features a left-hand navigation menu with a tree structure. The main content area is titled "Lenovo XClarity Administrator" and includes a descriptive paragraph, a central image of the virtual appliance interface, a list of functions, and a diagram showing the appliance connected to three server racks.

**Contents**

- Lenovo Converged System for Infrastructure information
- IBM PureFlex System information
- Flex System information
- Lenovo XClarity Administrator Information**
  - PDF files
  - Planning
  - Quick start guides
  - Installing and setting up
  - Uninstalling
  - Logging in
  - Viewing a quick overview of your hardware status
  - Administering
  - Backing up and Restoring
  - Managing racks
